Invitation: 5th virtual meeting of the Expert Network on a Multilateral Framework on Investment Facilitation for Development, 16 February 2021, 15:00-16:15 CET

Dear Expert Network members,

Thank you very much again for your willingness to participate in the Expert Network on Investment Facilitation for Development, established in the framework of a project carried out by the International Trade Centre (ITC) and the German Development Institute / Deutsches Institut für Entwicklungspolitik (DIE).

The 5th meeting of the Expert Network will take place on **16 February 2021**, from 9:00am to 10:15am Eastern Daylight-Saving Time (EDT), 15:00 to 16:15 Central European Time (CET), and 21:00 to 22:15 China Standard Time (CST).

The meeting will focus on **the potential value added of an Investment Facilitation Framework for Development**. More specifically, we would like to discuss the following questions:

- Can an Investment Facilitation Framework for Development help developing countries implement and lock-in domestic reforms?
- Should such a Framework require transparency of home country measures and encourage the observance of investors' CSR commitments?
- To what extent can an Investment Facilitation Framework for Development establish benchmarks of good investment facilitation practices and help members to share experiences?
- What is the relationship between a multilateral Investment Facilitation Framework for Development and emerging bilateral negotiations involving investment facilitation provisions (EU-China CAI, RCEP, EU-ESA EPA, etc.)?

The discussion will be held under Chatham House Rule to enable a frank and open exchange. The main results of the discussion will be summarized in a short report which will be fed into the WTO process on investment facilitation.
